

## *The Rocket - Issue Five*

### Welcome

Thank you for reading this edition of the Delta 88 fanzine, '*The Rocket*'.

### Recent events

As 2017 comes to a close we are still very busy even though there are less gigs for us during the winter. In November we recorded two new songs at Western Star for possible inclusion on a special CD to celebrate 80 years of the Ace Café in London. These tracks will feature on a future Delta 88 release and we had a very enjoyable day at the studio with Alan Wilson. The songs inspired us to make a video and we were delighted that Tony Bruce was able to join us at the excellent Union Road Moto-Velo in Crediton for the shoot and also to take some new photographs.

## **Looking ahead**

In January we will be working on some more new songs to be recorded at the end of the month. Those tracks will go towards our next release and will be added to later in the year for a full album. 2018 is already looking busy with some exciting gigs to look forward to! The Ace Café CD should be available in March and our video will be released around the same time.

## **T-shirts**

The new T-shirts featuring the Delta 88 logo are selling well. Please get in touch if you would like one, we have men's and ladies in a range of sizes at £10 each plus postage.

## **Thank you**

We'd like to take this opportunity to thank everyone who helped to make 2017 such an amazing year for us. We have played some amazing gigs, including in the USA and recorded our debut CD which has received really positive feedback. Special mention must go to Alan Wilson at Western Star for all his support. Thanks to the people that organise the events that we have played at, the photographers and sound engineers and to everyone that has come to a gig or bought a CD.

We hope you have a rockin' Christmas and a happy new year!
